

SCANSOM PUBLISHERS- NEW PUBLICATIONS IN 2017-2018

This book is one of the very few publications to document the 1977 war between Ethiopia and Somalia, which makes it a truly captivating book. It gives a well detailed account and analysis about the rise and victory achieved by the Somali forces within a short period of time. The book also provides insight on the defeat of the Somali forces and what went ultimately led to their withdrawal from the liberated territories. The alliance of former Soviet Army with the new communist Regime in Ethiopia which came to power in 1974, played a pivotal role to the defeat of the Somali forces. The Author sheds light on the hard learned lessons and consequences of the proxy war and the competition of the NATO and Warsaw blocks during the cold war period. The aftermath of the war and new geopolitics in the region was ultimately what caused the downfall of the Somali government and the current civil war in Somalia. This book is certainly a well detailed analysis of the 1977 war and provides insight to the current geopolitics between Somalia and Ethiopia.

This Mathematic aid book began developing in 2016 as a response to the growing needs of the students around the world. Our primary target audience are high school students, teachers and parents who are eager to support their students with their math needs. This book grew out of the need and demand from parents and teachers concerned about the low performance in math for their high school students. This book is intended to be a tool to aid Somali speaking students in the Diaspora in better understanding math concept and ultimately improving their grades. The book simplifies the process of understanding math through the use of easy to read formulas, models and illustrations. Our goal is that this book will be a valuable tool to help high school students in achieving solid understanding of mathematics for both academic and daily use.

Name of the book **Layla Maxaa Loo Dilay** (Why Was Layla Killed(Fiction Novel): is a love story between a Yameni girl in Mogadishu during the colonial period and a milk delivery boy. Layla, a beautiful young veiled girl whose tradition did not allow her to talk to men let alone befriend them, fell in love with a young man from whom she bought milk. It was love at first sight. But her intense and irresistible love collided against tradition and family values. As was the case, Layla chose love over tradition and ignored the warning signs that the forces against her liaison with this poor man with no title or wealth would go to great length to put off the fire burning inside her. And so it was. It cost her life. Layla was killed for loving the wrong person at the wrong time. A stunning and tragic love story to be read over and over again..

Masraxiyaddii Aqoon iyo Af-garad

Musdambeed Taariikheed

Subject (Play): This is an educational play conducted at early 1970's in Mogadishu. The play highlights the impact of the colonial era in Somalia and the cultural shock faced by many Somali Graduates from the former colonies when they went back to their home country. They were brainwashed and were delusional about the facts back home. Many of the graduates had fake titles such professor, Doctor which has no benefits for the local people. It is was a very entertaining as well as educational concert at early stage. Many new singers were emerged from this play which became very popular for past thirty years. Many popular and famous songs emerged too from this play.
